

FOR IMMEDIATE RELEASE:

NEW FANTASY SERIES FROM ESSEX AUTHOR EXPLORES BOUNDARIES OF GOOD AND EVIL

Essex, England - October 2012 - The debut fantasy novel from author Marvin Amazon is now available in hardcover, paperback, and e-book editions wherever books are sold in the United States and the United Kingdom.

The Corin Chronicles Volume 1: The Light and the Dark (Corinthians Publishing, 2012), tells the story of a war, five thousand years ago, between Auphora, the Creator of all things, and his son Baran. Their conflict spans—and almost destroys—the galaxy. Their epic battles cost millions of lives, but peace comes with its own repercussions. As time moves toward the present day, gods and demi-gods plot to rule again. One planet stops turning, leaving its people trapped in eternal light, while another develops to the modern day, unaware that someone walks its streets carrying a secret that could bring an end to it all.

The Light and the Dark is the first of an anticipated five-volume series. “I didn’t set out to write a mythic series,” says Amazon. “*The Corin Chronicles* started as a short story. But my continued exploration into possibilities and back stories resulted in a tale that grew exponentially through space and time.”

Amazon’s novels, which appeal to fans of fantasy and speculative fiction, tackle the moral questions of how we define good and evil, and why perception plays a key part in the answer. With no true protagonist or antagonist, *The Corin Chronicles* examines how war can ripple out to change the lives of everyday people, shifting their very understanding of right and wrong.

The author is available for interviews, book club appearances, speaking engagements, and/or guest articles on the subjects of fiction, writing, fantasy, and entertainment.

Corinthians Publishing is a small, independent press launched in 2012 and distributed to retailers via the Ingram Book Company.

ABOUT MARVIN AMAZON

Marvin Amazon is a Nigerian-born British author who currently lives in Essex, England. An information technology professional by day, Marvin stretches his imagination with movies, video games, comics, and, of course, novels. He credits the library across the street from his childhood home in Battersea, southwest London, with opening his eyes to the engrossing world of fantasy fiction.

INTERVIEW QUESTIONS

1. When did you start reading fantasy fiction, and when did you decide you wanted to try writing?
2. Do you see any parallels between the worlds and situations that you created and what's happening here in our present time?
3. Who are the heroes in *The Corin Chronicles*, and who are the villains?
4. Why did you choose to publish this novel yourself, rather than go through the traditional process of finding an agent and a publisher?
5. Tell us about the genesis of your book idea.
6. What's next for you as a writer? Any other projects planned or underway?
7. Any advice for other writers who are making their way toward publication?

WHAT READERS ARE SAYING ABOUT *THE CORIN CHRONICLES VOLUME 1: THE LIGHT AND THE DARK*

“The story is detailed and ambitious; the ideas and concepts interesting and unique.”

“The author has succeeded in creating an alien and exotic world for the reader, one that is easy to visualise and appreciate.”

“The plot is coherent and fast paced; there is plenty of action and the plot moves forward at a pace that would keep a reader involved in the story.”

“The scope of this novel is epic and the author has succeeded in creating a convincing story that will draw readers in.”

“Tension is generally built up well. The author succeeds in interweaving different sections and strands of story to help build up the tension.”
